

# Moses: A Humble Servant-Leader

Hebrews 11:23 – 29

“ *Leadership is the ability to put the plans into practice, and to accomplish the specified objectives through the skillful management of people, time, and tangible resources. A good leader is one who is able to motivate people; one who is capable of making good decisions, even under pressure or in conditions of uncertainty; one who can guide people through actions as well as words.* ”

George Barna, [How to Find Your Church](#), pp. 104-105
