Modern Churches Timeline

From the New Testament to Today

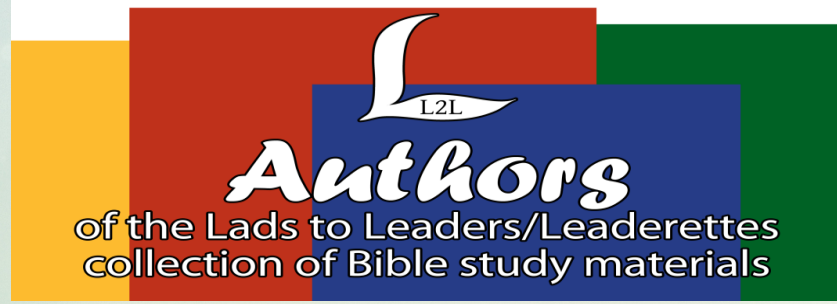

Why are there so many churches?

With tens of thousands of different churches and denominations, with their opposing beliefs and practices in the world today, we are often left confused. Which church is the “right” church? Which church does God approve? Which church did Christ establish? In Acts 2, we read of the one true church that was established by Jesus Christ and sanctioned by God. Many religious groups have departed from the first century church, splintering into the various churches and denominations we see today. If we seek to be the one true church established by Jesus Christ in the first century, as described in Acts 2, we must rid ourselves of man-made creeds, doctrines and traditions, and become the first century church we read about in the New Testament.

Since our foundation in 1968, the mission of Lads to Leaders/Leaderettes has been to develop youth into Christian leaders. From a group of eight boys in that first year to more than 20,000 today, our mission has remained the same.

L2L is the oldest and largest leadership training program used by the churches of Christ today. It is a tool churches of Christ can use to help prepare their youth and adults for service in the Kingdom of God and help develop their overall leadership potential. L2L is more than just attending a youth rally or participating in a Bible Bowl. We offer a variety of Bible-based class materials and events for preschoolers through adults.
