# When should we pray?

---

- We should pray in the morning!
- We should pray at the midday!
- We should pray at night!
- We should pray at all times!

# What are the ways in which our prayers may be hindered?

- Our prayers are hindered when there is active sin in our lives!
- Our prayers are hindered when we ignore unresolved conflict!
- Our prayers are hindered when we ask amiss from Godly purposes!
- Our prayers are hindered when we lack faith in God's power to answer!
