For whatsoever things  
were written  
aforetime were written  
for our learning,  
that we through  
patience and comfort  
of the scriptures  
might have hope.

A silhouette of a person kneeling in prayer next to a large wooden cross on a hill, set against a sunset sky. The person is on the right side of the frame, facing left towards the cross. The cross is a simple wooden structure on a small mound of earth. The sky is a warm, orange-brown color with some clouds. The overall mood is solemn and reflective.

**Are you ready to answer the  
call to repentance and  
salvation?**
